Seiberling will be holding our Annual Math Night and Trick or Treat - but it will be VIRTUAL. We will have bags of math activities that our Kent State Friends will be putting together for you. Also, at the same time, we will have Treat Bags for you. You will pick these up from the school during the week of the event. So beginning Monday, October 26th - Thursday, October 29th come to the school between 10:00 am and 3:00 pm at Door #2 and pick up all your supplies for the event. Each child will have their name on their bag.

WE ARE SETTING UP A GOOGLE MEET FOR EACH GRADE LEVEL. Students will go to their Google Classroom and each teacher will have an announcement with the link for you to go to the event.
